USA

THE 1967 GALAXY

**Robinson High
School
Waco, Texas
Volume Four**

Dedication

Four years ago Robinson High School was given the final touches; ready for its purpose. A building full of new teachers and students. A name unknown. It has taken hard work, tough competition, and quite a bit of pride and enthusiasm to give Robinson the respected name it has today. Eagerly students entered every activity; ready to face any competitor. Win or lose, our competitors found it hard to forget the strength of such a small school.

Today our school is larger, the students have even more school spirit; we win many more times than we lose. With the guidance of an excellent administration, the students can make our school the best in the Waco area. It is to you the students we dedicate the 1967 Galaxy, with the sincere belief that you will continue to support and represent Robinson High School with the utmost pride.

YESTERDAY

I am yesterday.
I am gone from you for ever.
I am the last of a long procession of days, streaming behind you, away from you, pouring
into mist and obscurity, and at last into the ocean of oblivion.
I depart from you, yet I am ever with you.
Once I was called Tomorrow, and was virgin pure; then I became your bride and was named
Today; now I am Yesterday, and carry upon me the eternal stain of your embrace.
I am one of the leaves of a growing book. There are many pages before me.
Some day you will turn us all over, and read us, and know what you are.
I am rich, for I have wisdom.
I bore you a child, and left him with you. His name is Experience.
I am yesterday; yet I am the same as Today and Forever; for I am you; and you cannot escape
from yourself.

Frank Crane

ADMINISTRATION

ATLAS/AGENA LIFTOFF -- An Agna Target Docking Vehicle atop its Atlas launch vehicle was launched from the Kennedy Space Center's Launch Complex. The Agna served as a rendezvous and docking vehicle for the Gemini XI spacecraft.

TO THE STUDENT BODY:

A year ends and a new year begins. Each class moves up one step on the educational ladder, and proceeds to establish for itself a place in history. In preparing for the future, James Russell Lowell once stated, "Not failure, but low aim, is crime." With this in mind, set your goals high, and throughout life, success will always come your way.

The 1967 Galaxy has had an exceptional year in which to publish an annual. The senior class being the first to attend Robinson all twelve years; the customs, traditions, and friendships established, will long be remembered.

Your hard work, friendliness, and desire to win, have truly made this year one to remember. With pleasure I submit this message for the 1966-67 Galaxy.

Very Sincerely Yours,

William C. Bradley Jr.

**Mr. William C. Bradley Jr.
Superintendent**

HIGH SCHOOL PRINCIPAL

To the Student Body:

I am pleased to announce that the student body has achieved a record high in the number of students who have completed their studies and are now graduates of the school. This is a testament to the hard work and dedication of the students and the support of the faculty and staff. We are proud of you and look forward to seeing you in the future.

Sincerely,

Fred Scott

ELEMENTARY PRINCIPAL

I am pleased to announce that the elementary school has achieved a record high in the number of students who have completed their studies and are now graduates of the school. This is a testament to the hard work and dedication of the students and the support of the faculty and staff. We are proud of you and look forward to seeing you in the future.

I am pleased to announce that the elementary school has achieved a record high in the number of students who have completed their studies and are now graduates of the school. This is a testament to the hard work and dedication of the students and the support of the faculty and staff. We are proud of you and look forward to seeing you in the future.

Sincerely,

Billy Joe Oliver

THE PARENT-Teacher association is made up of people in the community who are interested in education. PTA serves as a mediator between parents and teachers. At each meeting a program of interest is presented. This program serves not only as entertainment, but also gives students a chance to participate.

This year the PTA sponsored a carnival to raise funds to remodel the gymnasium in the elementary school. Each year the PTA presents college scholarships to deserving seniors. The PTA continues to work for a better school.

The program for May was a style show presented by the Homemaking Department.

The girls modeled costumes that they made in sewing class.

ACTIVITIES

GEMINI XI EARTH-SKY VIEW - Indian Ocean, west of Australia, looking northeast, as seen from the Gemini XI spacecraft at an altitude of 670 nautical miles during its 27th revolution of the earth.

HOMECOMING 1966 was more

At the homecoming assembly in the background, the pep rally spreads enthusiasm to students and exes as they prepare for victory.

Years were made to drive over . . .

A visit from Matt's lovely cheerleaders . . .

Ready to go . . .

Such coordination . . .

You gotta see it to believe it

han spirit and victory

Hal Hall - Donna Walker, David Drainard - Bettina Rubin, Cary Lathern - Ray Irwin, Kent Davis - Mary Davis, Teresa Lewis - Larry Hargood, and Johnson - May Gutter.

Teresa is dazzled by the announcement . . .

Teresa and Larry take the traditional ride around the field . . .

Anxiously waiting their turn . . .

The Carnival Adds Variety To

THE CROWD AWAITS THE CROWNING . . .

The carnival gives the students a chance to aid their school. The money the classes earn for their queen coronation is donated to the F. I. A. Close class competitions encourage them to work harder. The money earned this year will put a new floor in the Elementary gym.

Brenda Ward, 15, Carnival Queen and her escort Larry Staas, were present at this year's crowning.

Highlights of 1967

One highlight of the year was the presentation of a rocket to Robinson High School by Rocketdyne, a division of North American Aviation.

The Robinson Rocket was fabricated from cases and nozzles of one of the oldest and one of the newest solid propellant rocket motors manufactured

The lower half of the Robinson Rocket is a case from a Megaboom booster rocket.

The upper half of the Robinson Rocket is a case from a zero-launch (zell) booster rocket.

Teachers, students, and ex-students are pleased with the new rocket

The Booster Club served a chili supper

Western Day offers a change of dress as well as personality

There was a farewell party for Mr. James when he left at mid-term

Larry Halgood tries to break the pinata

Robinson students and teachers enjoy Christmas. One of the highlights is the annual Christmas party. Gifts are opened and refreshments are served by the room mothers. Bertilu Rubin reminds us of the true meaning of Christmas

The Robinson High School Band marches in the Baylor Homecoming parade.

Senator Yarborough speaks to the student body.

The "ISLE OF GOLDEN DREAMS" offered beachcombers a few Hawaiian memories . . .

Enthusiasm was high among the familiar faces of Robinson and acquaintances from other schools. . .

On Friday evening May 19, the junior class presented the 10th banquet. After a brief introduction a delicious dinner was served. "Two Belles and a Beau" provided the guests with a few delightful songs. The senior class will and the junior's prophecy brought many laughs and smiles. The dance was a great and tiring success.

Some of the executives seemed to enjoy the return visit. . .

The Teachers seemed to enjoy seeing the students in their natural habitat. . .

Jerry Meadows gave the
class will.

Not exactly the Hula but It'll do...

Vibrating walls and floors were only the result of
"St. John's Wood".

C. P. knows the latest...

... a most unusual class prop-
erty was given by Trice Harmon

Under the direction of Coach Curtis Corner the Robinson B Team had a successful season. Even though the team lacked previous training and experience, their hustle, determination, and never-say-die spirit made them a definite threat to opponents. The experience they have gained this year will be a great asset to Robinson in future years.

Track Teams

FRONT ROW: Craig Ferguson, David Aston, Ben Vasquez, David Shaw, Bill Brinson, Billy Eker, Larry Poe, James Hall, 2nd ROW: Hal Hal, Neil Keding, Bill Wacker, James Smith, Doug Reeves, Ray Baker, Bill Saxton, Gary Selby, BACK ROW: Larry Nesteron, Ronnie Harris, Joe Krueger, John Glasgow, Steve Harrison, Welder Sullivan, Mike Mounce

FRONT ROW: Billie Pierce, Judy Williams, Christy Taylor, Alita Brown, Diane Tye, Debbie Lathern, Debby Vardeman, Vicki McMullan, Rusty Pierce BACK ROW: Debby McKinney, Susan Daniels, Melissa Venner, Nancy McKinney, Trice Harmon, Pam Lynch, Sandy Williams, Donna Howell. The team won second in region II, 14th in State. The mile relay won 4th in State. Vicki McMullan placed 11th in State.

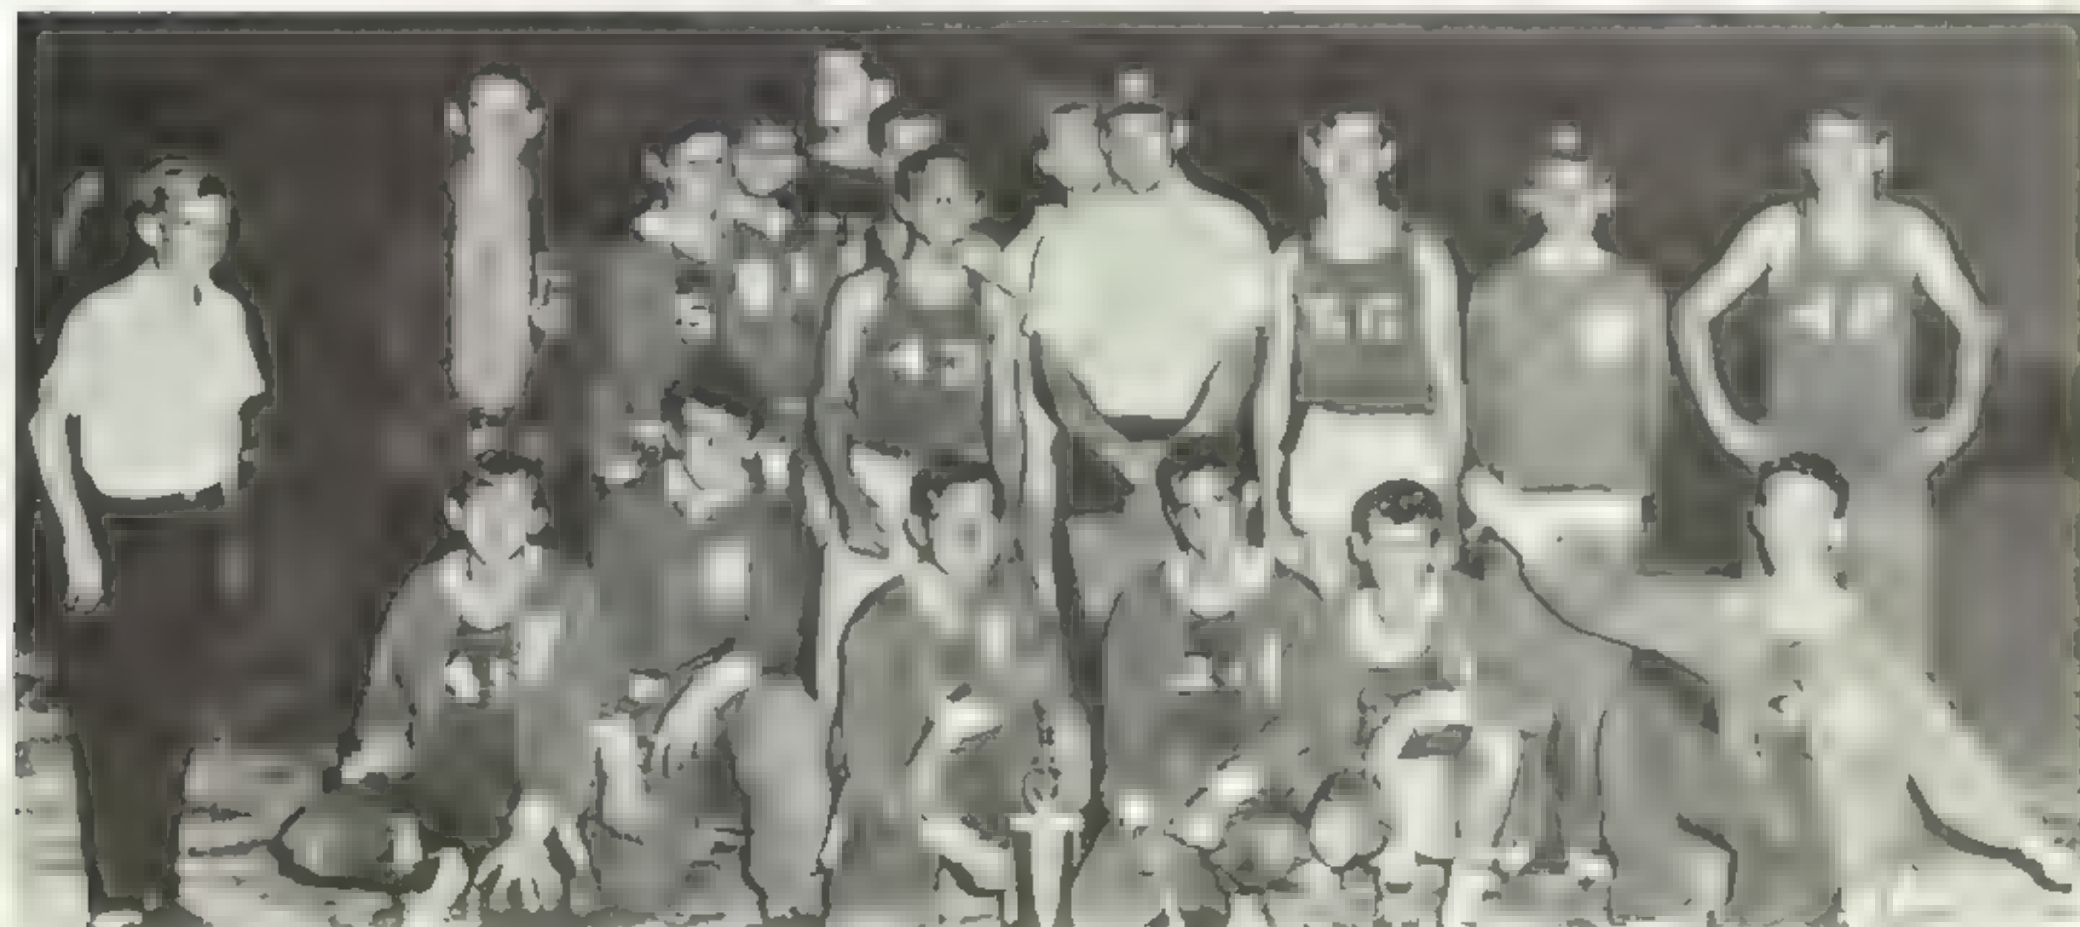

Such triumphs as running the 100 yard dash in "10 flat", or high-jumping 7 feet, or throwing the shot 60 feet, are just a few of the things that this year's Robinson track team would like to have accomplished. Even though they might have fallen short of these exceptional marks, they still did their best and represented RHS in a great way.

Under fine coaching, they learned to discipline themselves and their attitudes. Although track is not given as much recognition as other sports, it is an excellent competitive and conditioning sport, emphasizing both individual ability and team coordination. With more interest by the student body, we will have outstanding track teams.

Jr High Track Champs

Robinson's Tennis Team

LEFT TO RIGHT: Janis Brown, Suzanne Garmon, Jamie Benson, Kay Benson, Wanda Green, Pam Oldham, Mrs. Stichter, Hal Hall, Bob Johnson, Mickey Smith, Doug Stokes, Larry Griffin, Travis Kitchen, Paul Kitchen.

Tennis like any other sport can be difficult to master if it is approached from the wrong direction. The player can become confused by a maze of theories, intricacies and mysteries of co-ordination. But if guided by correct coaching and training tennis can be a simple game.

It requires an aggressive temperament and physical strength to force the play in a game of tennis. Tennis is a combination of strokes, their intelligent use, endurance, and the wise conservation of endurance, the ability to sense as well as to see the opponent's weakness, a sense of position play and the will to win. There is something which lies behind these games, this is keenness. This is the quality that enables players to become inspired by the thought of participating in matches. All these things Robinson players have learned or must learn in order to win for their school.

Volleyball Team Of RHS

FRONT ROW: Cynthia P. I., Kay Weitz, Judy Williams, Judy Tye, Anita Brown, Kay Collins, Donna Walker BACK ROW: Nancy McKinley, Trice Ann Hannon, Cynthia Schneider, Mrs. Stutler, J. Ann Wood, Peggy Graham, Melissa Venner, Linda Lenior

The girls won a second place in district competition

The game of volleyball was invented in 1895 by William G. Morgan, at that time the physical director of the Holyoke, Mass., Y.M.C.A. He had a large class of businessmen and felt that a game of relaxation and recreation was needed. He raised a tennis net to a height of 6 feet, over which a basketball was volleyed. The game came to be known as Mintonette. The game developed rapidly under the supervision of the YMCA Physical Directors Society. Rules were set up. The game has steadily developed in style of play over the years, to a spectacle of exciting, vigorous action. Volleyball has developed in a remarkable style, since 1895 when William Morgan hung a tennis net across a "Y" gym and volleyed a basketball back and forth.

Robinson's volleyball team is just one of the many extra-curricular sports available at R. H. S. Robinson's girls team won second in district this year.

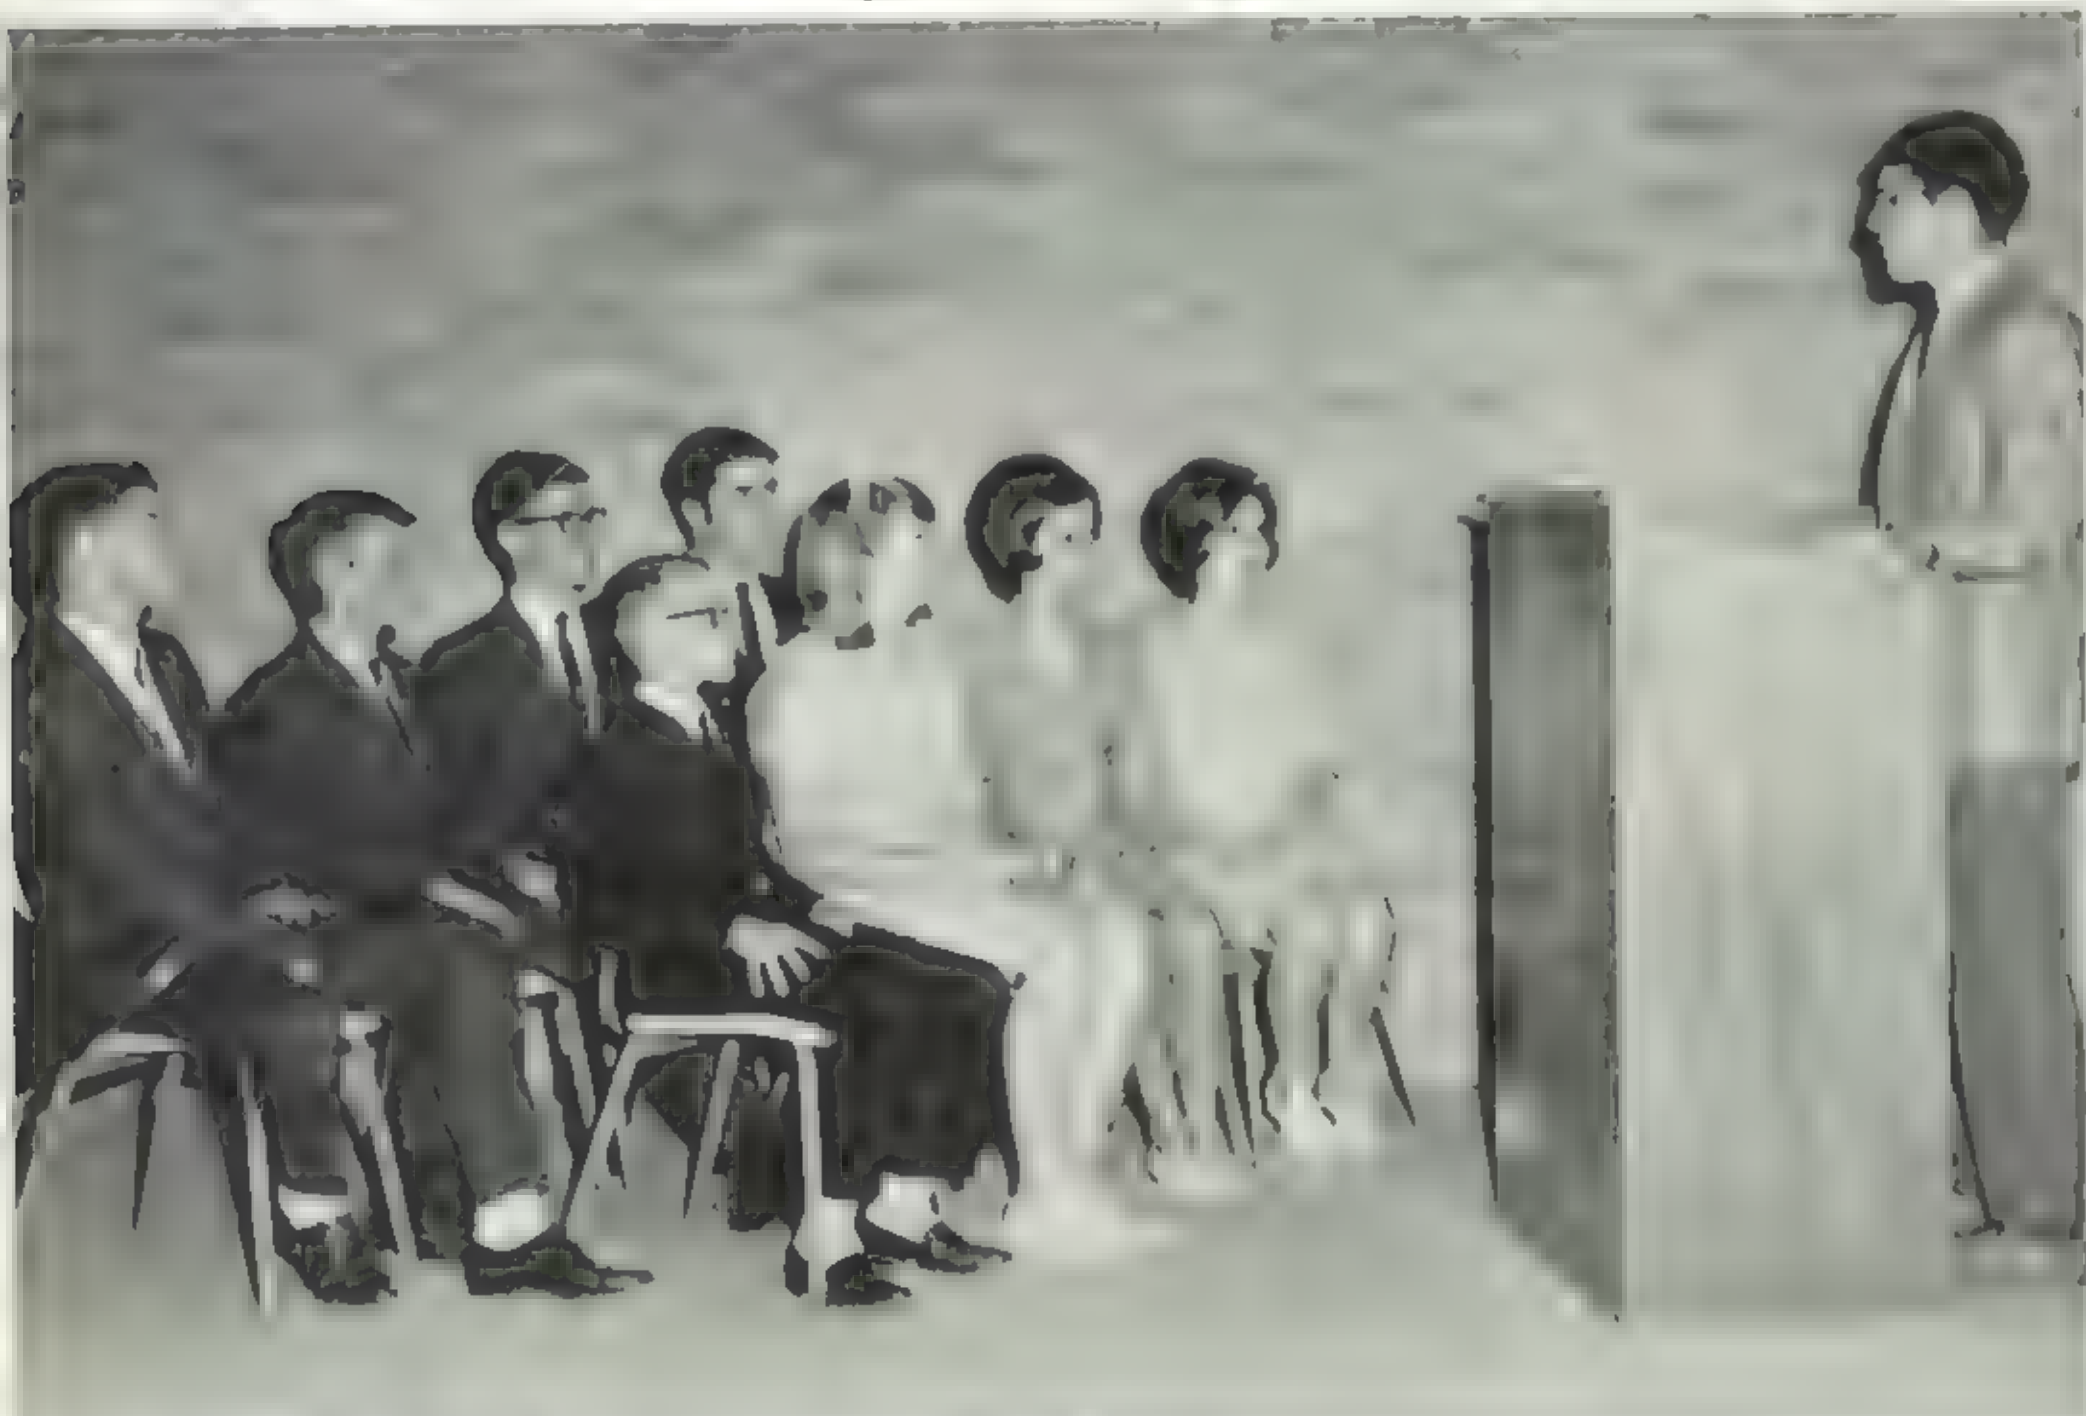

ORGANIZATIONS

mission in space.

Student Council — governing body of the school

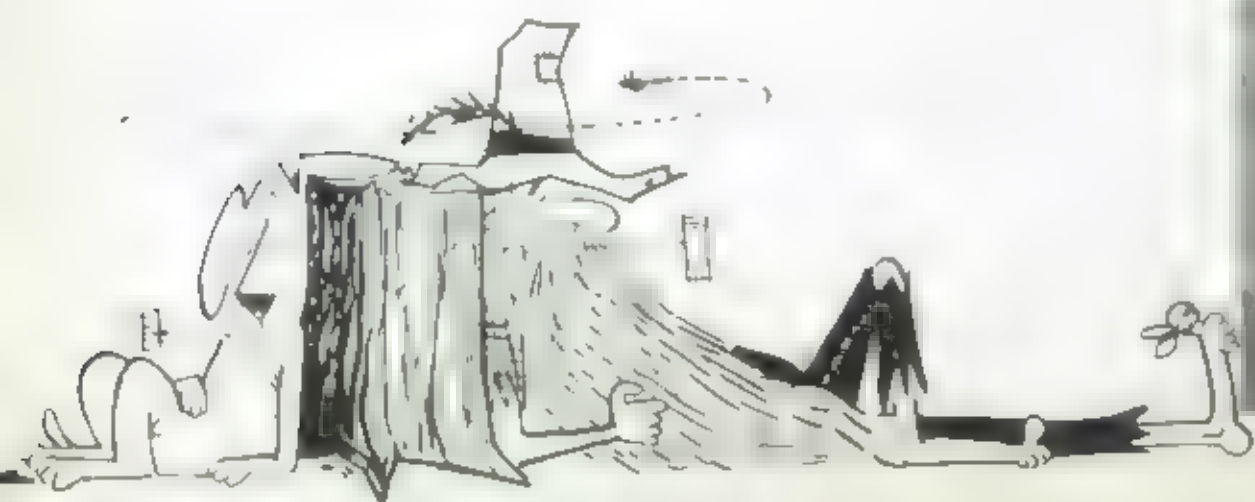

Ray Fanning, Larry Groth, Ronald Koester, Brian Edge (Vice-President), Tommy Tucker, Trice Harmon, Debbie Smith, Alice Cuzzort, Frank Newman (President)

Members of the student council are chosen by popular election within classes and organizations. This group encourages better citizenship and a more democratic school system by acting as a median between the students, administration, and faculty. Policies are formulated and administered to the student body. Officers are elected within the council.

THE FHA CREED

We are the Future Homemakers
of America.
We face the future with warm
courage
And high hope.

For we have the clear
consciousness of seeking
Old and precious values.
For we are the builders of
homes,
Homes for America's future.
Homes where living will be the
expression of everything
That is good and fair,
Homes where truth and love
and security and faith
Will be realities, not dreams.

We are the Future Homemakers
of America.
We face the future with warm
courage
And high hope.

The Formation Of A National Honor Society Provides A Proud Moment For Ten Students

Mr. Jerry Meadows, Sr. JoAnn Wollum, Sr. Laura Latimer, Sr. Barbara Hahn, Sr. Carmen Diaz,
Sr. Battila Rubin, Jr. Ray Fannin, Jr. Suele Brown, Jr. Sharon Scott, Jr. Linda Cloer

No honor or responsibility conferred by the school exceeds that represented by the National Honor Society. It represents the fundamental objectives for which schools are instituted and gives recognition to those who have attained almost nearly the desired ends. Other honors at the disposal of the school are only partial in the sense that they recognize specialized ability, skill, or talent; but this Society looks upon education as a total product measured by the four dimensions of life.

Membership in the National Honor Society has become recognized nationally as one of the highest honors that can be bestowed upon a high school student. Membership is, however, more than an honor; it carries with it a responsibility and should be considered the beginning of an obligation, not merely the successful culmination of an effort to achieve recognition and honor.

Once selected for membership, a student is singled out. He should not only continue to demonstrate those outstanding qualities which brought about his selection, but he should also exert a new influence to improve conditions about him and promote those qualities, Leadership, Character, Scholarship, and Service, for which The National Honor Society stands.

Mrs. Yvonne Byrd was the hard
working sponsor.
